Curriculum Errata Notice

2025 Sustainable Investing Certificate

Issue date: April 2026

Welcome to the Curriculum Errata Notice.

We review and confirm potential errors to ensure you can study with confidence. This notice includes reported issues that could affect your understanding, such as miscalculations, incorrect explanations, or mislabeled exhibits.

For the most current information, regularly check the Learning Ecosystem (Canvas) or this document. Due to the nature of our publishing process, corrections may not appear immediately in our printed materials.

In this document, you will find:

- Table of Contents by Module
- New Errata marked since the last notice
- Full list of errata organized by Module

If you spot something that seems incorrect, please let us know: cfainst.is/errata. Every report is carefully reviewed and investigated by our subject matter experts.

Good luck with your studies!
